5. Reason for cancellation

The service tender procedure was published on 15.07.2019. As of the same date-15.07.2019, a new version of the Practical Guide to contract procedures for EU external actions (PRAG) is valid and applicable to all tender procedures. For this reason, the present service tender procedure has to be cancelled and a new one should be launched according to the new version of the Practical Guide to contract procedures for EU external actions (PRAG).

Notes:

Should a new tender procedure be launched for this project, a new contract notice will be published, unless the contracting authority awards the contract through a negotiated procedure – in which case only the award of the contract will be published.
